

November 19, 2016 Meeting of the Westminster Trustees of Public Funds & Campbell Fund

Location: Allen Brothers, US Route 5, Westminster, VT

Attendance: Mike Fawcett & Barbara Taylor

The meeting was called to order at 8:45AM. The minutes were postponed until the next meeting.

We called Pete to be sure that the turkeys will be picked up on Sunday, November 20, 2016 and delivered to the Westminster Central School Monday, November 21, 2016.

We discussed finding out if cooked turkeys would be preferred rather than frozen since many people don't cook these days. We asked Pete to see if the school would know.

We discussed possible alternative help for the coming year, a possible Community dinner with the cooperation of the church, Westminster Cares and/ or the Westminster Fire Department. Further discussion will take place at future meetings.

We plan to have another meeting to continue discussion on Secret Santa & the Investment Policy, December 3, 2016, same time, same place. The meeting was adjourned at 9:10 AM
