

TAXES, COLLECTION OF

Tax bills will be issued payable in equal semi-annual installments, the first installment to be payable at the discretion of the Selectmen, the second payable on February 10, 1985; and that September 10th and February 10th shall be the due and payable dates each fiscal year thereafter until these dates are changed; and that the interest rate on of one percent (1%) per month or fraction thereof, be due on any taxes not paid September 10th; and that there will be added an eight percent (8%) penalty on all delinquent taxes, plus interest of one percent (1%) per month or fraction thereof, said taxes becoming delinquent on February 11th of any one year.

For the purposes of the first installment of this year's taxes only, no interest will be charged until 30 days after the date payable set by the Selectmen.

Passed unanimously at a special town meeting on July14, 1984
