

Windham County Lead Hazard Control and Healthy Homes Capacity Building Program

Directed by Sheriff Mark Anderson through the Windham County Sheriff's Office, the Windham County Lead Hazard Control and Healthy Homes Capacity Building Program is working to reduce lead hazards across Windham County and build capacity statewide. The program is funded by a \$1.1 million grant from the U.S. Department of Housing and Urban Development (HUD).

Limited-Time Free Lead Training & Certifications

Get certified in RRP (Renovation, Repair, Painting & Maintenance), Lead Abatement Worker, and Lead Abatement Supervisor courses — at no cost to you. Whether you are tackling DIY renovations or are a contractor looking to expand your business, this is your opportunity.

Courses in Brattleboro are available with training partner Lead-EDU at the Windham County Sheriff's Office, 185 Old Ferry Rd, Brattleboro, VT.

See all courses here: <https://classes.lead-edu.info/>

All you need to do is confirm that you live or work in Vermont, and the course will be covered at checkout. Additional training providers and locations are available on our website:
